# UNIFIED PREFERRED DRUG LIST FOR OHIO MEDICAID

UPDL coverage for Ohio Medicaid Managed Care Plans and Traditional Fee-for-Service is provided for commonly prescribed drug classes by pediatric primary care and behavioral health providers. This information is intended for use by providers to select cost-effective medications for their patients and includes medications covered on the UPDL. It is not a substitute for individual patient factors and clinical judgment. If there is a discrepancy between Medicaid's published UPDL and this document, use the published UPDL as final guide; Medicaid and the MCPs reserve the right to make changes that may not be reflected here. For evidence-based prescribing guidelines, please visit the PFK website at [www.partnersforkids.org/resources](http://www.partnersforkids.org/resources) > Prescribing Resources.

Average cost per script is based on generic drug when available using an average length of therapy.

Prices are for reference and actual cost may vary based on drug strength, quantity and other factors.

**Bolded** medications are generically available      ✓ = Covered    PA = Prior Authorization    NC = Not Covered
