

Unified Preferred Drug List Update April 2022

The purpose of this document is to summarize relevant updates to the Unified Preferred Drug List (UPDL) for Ohio Managed Medicaid Plans and traditional fee-for-service Medicaid. Updates will be reflected on Partners For Kids preferred drug list at www.PartnersForKids.org/resources under Prescribing Resources. All changes noted below are effective as of April 2022.

There were no relevant changes impacting common treatments for pediatric conditions in the April 2022 UPDL updates.
