

PFK Behavioral Health Provider Incentive Plan

Goals

- Create an behavioral health incentive model that:
 - Reinforces **evidence-based clinical practice**
 - Is **data informed**
 - Is **appropriate for PFK's provider base**
 - Results in a positive impact on **outcomes** for PFK members

Structure

- Financial incentive paid by PFK to provider organizations four times per year

* Date of last qualifying service will trigger payment

Proposed Model: Training

- Rationale:
 - Promote **evidence-based practice** within PFK's provider network
 - Training will focus on modalities appropriate for most common BH diagnoses within PFK members
- Measurement:
 - Completion of at least 1 PFK-supported training session by **50% of the providers credentialed as of January 1** within each group (tax ID) between January 1 – December 31

Proposed Model: Patient Engagement

- Rationale:
 - Evidence-based literature supports the importance of **longitudinal care** for psychosocial interventions in an outpatient setting
- Measurement:
 - Based on **claims data** for service dates beginning January 1 of the measurement year
 - Includes **new patients** with a diagnosis of **ADHD and Disruptive Behaviors, Anxiety, Trauma, OCD, Autism, Depression or Bipolar**
 - Includes **interview, evaluation, consultation, psychological and psychiatric evaluation and therapy services** provided in an outpatient setting
- Payment: Per successful patient

Proposed Model: Patient Engagement

- Measurement:
 - In a rolling 3 month period, patient must have at least **1 visit each in 2 of 3 months** and at least **4 visits total in the 3 month period**

Patient	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Result
A	2 visit	1 visit	1 visit										✓
B					1 visit	2 visit	1 visit						✓
C										2 visit	2 visit		✓
D			2 visit		2 visit								✓
E	1 visit	1 visit	1 visit										X
F			2 visit	1 visit		1visit							X
G								1 visit	1 visit	1 visit	1 visit		X

Proposed Model: 7 Day Follow-Up

- Rationale:
 - Established HEDIS measure and a metric included in Ohio Department of Medicaid's Behavioral Health Index
- Measurement:
 - Based on **claims data** for service dates beginning January 1 of the measurement year
 - Includes **patients \geq 6 years** discharged for a behavioral health concern who have a **follow-up visit with a mental health provider within 7 days of discharge** (same day as discharge, not included)
- Payment: Per successful patient
