**PROGRAM OBJECTIVES:**

- Select the appropriate level of coding for problem-oriented pediatric visits by correctly applying E/M criteria in at least five common clinical scenarios associated with under coding.
- Differentiate and accurately code sick visits, well visits, and combined encounters using current CPT and payer guidelines in simulated case examples.
- Apply current coding updates and guideline changes to pediatric clinical scenarios with =80% accuracy in case-based exercises.
- Identify and correct common documentation and coding errors that lead to audit risk by reviewing sample charts and recognizing at least four frequent oversights.

**REGISTRATION DEADLINE:** Register online @ https://nationwidechildrens.cloud-cme.com/cppcoding2026

**REGISTRATION ENDS: Monday, October 19th**
